You may apply and submit your abstract to the organising secretariat online at:
silvana.valerio@oncologico.bari.it

Instructions for application and abstract submission

Participants with new data relevant to the subject of the conference may submit one abstract to be considered for poster presentation. Only papers whose abstracts have been reviewed and approved by the course coordinators will be presented.

Abstracts should be written in English and the text should not exceed 2000 characters (or 450 words), title included. The title should appear in capital letters. For each author, type surname first,

followed by first name and initials (presenting author in capital letters). List of affiliations after the author's list. Indicate 3-5 keywords at the end of the text. The full address with telephone, fax number and email of the corresponding author must be provided. The corresponding author will receive all the subsequent communication concerning this abstract. Please also indicate your approval for publication in case the abstracts are issued in a journal. Six posters will be selected for the oral presentation. It is the responsibility of the presenting author to ascertain whether all authors are aware of the content of the abstract before submission.

AWARD

Award will be available for the best abstract.
